**Bogotá D.C., July 8, 2021.** The Arbitration Tribunal convened to settle the disputes between Grupo Energía Bogotá S.A. ESP and Enel Américas approved the conciliatory agreement signed by the parties on May 7, 2021, together with its modifications included in the addendums 1, 2 and 3, declaring consequently the termination of the arbitration process and the cessation of its functions.

As highlighted by the Arbitration Tribunal, this new agreement not only resolves integrally the controversies that gave rise to its creation, but also constitutes a growth opportunity for GEB that will generate greater value for its shareholders and will allow it to make decisive progress in the consolidation of the sustainable energy transition agenda.
